

HOME LEARNING ACTIVITIES

YEAR
3 & 4

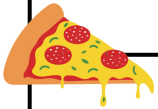

Make a list of everyone's name in your class, put their names in alphabetical order.

Write a persuasive letter about the toothpaste that you use to your friend. Why is it better than any other toothpaste?

Choose 3 books from your home that you have read. Can you write the title and a summary of the story?

How many pairs of shoes do you have in your house? Make a table of who has the most shoes?

Plan a healthy meal for your family. Can you research how much it would cost to make?

If you could only eat one meal for the rest of your life, what would it be? Write a few sentences describing it and explaining why.

Follow an exercise video on the internet. How long does it take before you start to feel tired?

What do you want to be when you are older? Research the job and write down 5 facts.

Create a poster about your class pet! Can you research any fun facts about them?

Count how many different colours you can see around your house. Make a tally of those colours. What is the most popular in your house.

Create a leaflet about a country of your choice. Can you research interesting facts about it.

Create a wordsearch for your grown up to answer.

Plan your ideal week! What fun activities would you do? What would you have for breakfast?

Using any recycling you have at home, create a moving vehicle!

Build a reading den in your home using blankets and pillows. Can you get cosy with your favourite book inside?
